

Welcome to CAE Connect

Unifying, Sreamlining, Simplifying

Your path to crew training management, reimagined and simplified

Developed through a culture of innovation, CAE Connect is an all-inone portal that empowers business aviation operators to manage their crews' training all in one place. With the seamless integration of timesaving features, operators can experience enhanced digital management of their core training needs.

Welcome to CAE Connect

Unifying, Sreamlining, Simplifying

Key benefits

- With CAE Connect you can intuitively access and manage all your training needs, in the office or on the go.
- Enjoy peace of mind with enhanced Reservation capabilities where you'll seamlessly review and request changes to your training reservations.
- Experience the freedom of self-assisted user management where you're in total control. An administrator's dream, User Manager inspires confidence with easy-to-use access controls.
- Benefit from a simplified no-hassle document exchange experience with Document Manager, making uploads a breeze.
- Never miss a beat with Instructor Manager where you can quickly access a list of recommended Part 135 simulator instructors and approved check airmen for upcoming reservations.
- Conveniently view financial records and pay invoices directly online through Bill Management.
