GOLF SCRAMBLE RULES

1. A scramble means that all team members tee off on each hole and then decide which tee shot they like the best and mark the spot with a tee or ball marker.
2. The other team members pick up their balls and place them within one club length (no closer to the hole) of the marked spot. Each team member hits their next shot from this location.
3. This procedure is followed on every shot for the remainder of the hole, including putts. The ball should be marked on the putting green also.
4. If the ball you choose to play is in a hazard (sand, water, etc.), the rough, or out of bounds, you cannot drop the ball outside of the hazard or rough. In other words, you may not improve your lie.
5. Putts need to be made within 3 inches of the marked spot (no closer to the hole). The first ball to go in the hole is counted for the team score. When putting, once any ball is holed out, no further strokes count.
6. Men tee off from the white tees and women from the red tees.
7. Threesomes are permitted to rotate a fourth shot from each ball location. In other words, one person will be hitting twice from each position. However, the person hitting two shots cannot do so consecutively. (For example, it's Player A's turn to hit two shots. The other team members must play their ball in between Player A's two shots.)
 - a. The rotation should be set at the beginning of the round and remain constant throughout.
 - b. An example of this would be:
 - i. Hole 1 shot 1: ABCA
 - ii. Hole 1 shot 2: BCAB
 - iii. Hole 1 shot 3: CABC
 - iv. Hole 1 shot 4: ABCA
 - v. Hole 2 shot 1: BCAB
8. In the event of a 5-person team: Only 4 are allowed to tee off and play each hole. Members must rotate with one person sitting out each hole. (For example, If Rotating Players A – E with A playing the first hole and Player E sitting out, Player A, would sit out on holes 2, 7, 12, 17. Player B would sit out holes 3, 8, 13, 18 and so on.)
9. In the case of a tie, score card of the teams that have tied will be compared starting with the hole with the highest handicap moving to the hole with the lowest handicap, continuing until one team has the lowest score on a hole.

These rules are subject to change/updating prior to the start of the tournament Rules of Play.

SKILLS CONTESTS

Closest to the Pin

On the identified Par 3 hole, players must reach the green from the tee box. Players will measure the distance from the hole with the provided tools. Players who are closest to the pin will write their name and distance on the flag marker located just off the green.

Longest Drive

On the identified Par 5 hole, players must hit their drive in the fairway to count. The first player to drive their shot onto the fairway will move the stake to the location of their ball and write their name. Subsequent teams must drive the ball further and move the stake to their location, noting their name on the stake as well. Distance will be measured officially by support staff.

Hole in One Contest

A specific Par 3 hole will be chosen on the course to allow golfers to participate in a Hole-in-One Contest. Specific prize to be determined. All players are automatically entered and eligible to participate.

OTHER ACTIVITIES ON THE GOLF COURSE

Air Cannon Golf Hole Shot

The Air Cannon Hole shot allows players to blast their drive up to 400 yards landing them on the green in of a Par 4 or Par 5 in a single shot. Players must pay to shoot the cannon under supervision, and they use the cannon shot as their drive. If all four players participate, they are guaranteed a 15-foot putt for eagle. Players can pre-purchase their chance to participate in this activity or pay on the day of the event.

Wheel of Fortune

Take your chances with a spin of the wheel. Land on a lucky wedge and win a chance to tee off closer to the hole or win a free beverage or possibly additional raffle tickets. But buyer beware, some sections may be more favorable than others. Players must purchase a spin of the wheel.

Putting Challenge

Test your skills and your nerve by participating in this escalating challenge. Each golfer will first start from the simplest and closest putting location. The golfer must make their putt to win the prize for that location. The golfer then has the choice to forfeit the prize for a chance to move on to the next location. However, if the golfer misses, they will not be awarded any prizes. Consecutively make them all to win the grand prize! Players must purchase a ticket to participate.

Hire the Pro

This purchase allows a golfer to hire the course pro, strategically placed on the course, to hit a tee shot for the golfer. Chances are, they will put you in a better position to score low on that hole!!!
